Warrant Article Asks 7-Story Apartments

An article has been inserted in the Warrant by the Planning Board recommending the creation of a new apartment house district to be designated as Residence C-1.

This district would consist of the strip of land approximately 175 feet in depth back of the Business A zoning along Massachusetts Avenue which was rezoned to the Residence C apartment district by the unanimous vote of the 1959 Town Meeting. (A small

LISTENING ATTENTIVELY are these parents and interested townsmen to a heated discussion on the N. Stratton school at the Industrial Arts library last Thursday. In the background are some of the members of the school and building committees. Feb. 5 was set as the opening date for the school.

60 Hear Deadline On School

Approximately 60 people crowded into the confines of the Industrial Arts School library, Thursday, Jan. 18, to hear the status of the unoccupied N. Stratton school.

Under the terms of substantial completion, the new school will be used to house youngsters beginning Monday, Feb. 5, and school authorities have been so notified by the Building Committee.

The spectators received encouragement from the outset as Daniel Whitney, chairman of the Building Committee for the Stratton school, stated that the committee had a "certificate of occupancy" from the architect.

A definite date Saturday, Jan. 27, was set as deadline for the workmen to move out of the school. This would allow a week for the rooms to be readied for the incoming students, according to Dr. Roens.

George Greim was given authority to work with the school dept., Dr. Roens, the contractor, and if necessary push him. It was stated that everything was pretty well-done and only small incidents remained, such as cleaning glass, touching up paint, sanding and correcting a warped door in the teacher's room.

Dr. Roens then recommended an opening date of Feb. 5. Contractor John Grande said that he would need a week and a half to finish up the small incidents. Under pressure from the committee, Grande

agreed to be out of the building by Jan. 26.

Mr. Monahan then stated that he did not think all of these incidents could be finished in one week and even if they are not, the school could be occupied. He asked the committee to "consider the building substantially completed subject to the approval of the Town Counsel." This would clear the way for the Town to release funds to the contractor.

Committeeman Kent immediately protested that he was against paying the contractor until the children were in school and the work done.

Mr. Monahan in rebuttal replied that the money paid would be only that for work that had already been com-

tected. \$70,000 would be held back pending 65 days after completion.

Mr. Monahan then proposed that custodians work after hours and on Sunday to clean classrooms and put the furniture in order and be paid from the committee funds, a sum of about \$1500.

Edward McCann protested and asked if the penalty clause could not be invoked.

Upon getting a negative answer, he stated that the taxpayer's money should not be used for the error of the contractor.

However, the motion was carried.

Mr. Whitney ended the session saying, "as of now, in my opinion, it is in the hands of the school dept." The committee will meet again when deemed necessary until the Town accepts the school as complete, according to the words of Mr. Whitney.

All told the meeting lasted but 45 minutes.

Rescue Team Aids Search

The Massachusetts Rescue Service, headquartered in Arlington, participated in the search on Sunday, Jan. 21, for Scott Tomyl, 7 years old, of Maynard, who drowned there on Saturday.

Assisting the Maynard Police dept., Fire dept., and a number of skin-divers, were 12 men and 6 equipped cruisers from the Rescue Service, under the supervision of Chief Robert Wallace, of Arlington. Also a member of this group was Richard Luongo, 10 Udney st.

The Massachusetts Rescue Service is a voluntary organization which assists communities of the Commonwealth when needed.

At the Girls club meeting on Jan. 16, a film on careers in nursing was shown.

other is inserted asking for \$65,000 of Town funds.

Other articles are an appropriation for \$32,600 for the installment of off-street parking in the rear of Railroad ave. and the demolition of Railroad station. The Board of Selectmen are sponsoring this article.

Town employees are applying for a 4% increase in pay of \$208 per year or a \$4 increase in the weekly salary, whichever is greater.

The Personnel Board has recommended 3% increases or \$146 per year or \$2.80 weekly.

A \$136 raise for the police and fire chiefs is also on the docket. This would probably not be in addition to a raise granted other Town employees.

Town employees are asking for a total of \$93,750.

Planning Board inserted an article for the future Zone C-1.

18 other zoning changes were included by various parties. These are listed numerically, 73-90.

The School Committee presented an article requesting that it be granted permission to ask for federal aid to draw plans and specifications for an addition to the High school. In case this article fails, an-

Sullivan Wins Post In Conn.

Joe to Arlington affairs is James Sullivan, 36, administrative assistant in Arlington for four years. Sullivan has been named Town Manager of Watertown, Conn., a suburb of Waterbury.

Three committees also presented articles. The Allied Youth Committee is asking for a Board of Directors for the Youth service. They want seven members on the Board to serve on a no salary basis.

The Board is to be selected by the Town Manager, Board of Selectmen and the Sup't. of Schools. The terms of the members are to be one for one year, two for two years, and three for three years, with money to be spent under the guidance of the Town Manager.

Sullivan lives with his wife, the former Ann Hever, of South Boston, three children, Maura 8, Mark 4, and Lianne 3.

Watertown has a population of 15,000 and has recently switched from the government of a Board of Selectmen to a Manager-Council type.

BEACON LOUNGE OPEN
Boasting a complete \$150,000 renovation, and under the new management of Mike Bond, Joe Conroy and Jack Hannon, the Beacon Lounge at 200 North Beacon st., Brighton, officially opened Jan. 24, to a capacity crowd.

Celebrities on hand at the private opening, by invitation only, included stars from the sports world: ex-middleweight champion Paul Taylor, Red Sox star Tracy Stallard, and fight promoter Sam Silverman.

Guests enjoyed cocktails, a seven course steak dinner, and an all-star show featuring ventriloquist Vicki Taylor, singer Charlie Slavin, comic Red Nolan, and the dance team of Winick & May, which was followed by dancing.

The Beacon boasts the most complete facilities of any establishment in the area, including restaurant, cocktail lounge, and the "200" Function Room.

With free parking for 150 cars, dancing every evening and a luncheon and dinner menu which is changed daily, it should also prove a prime attraction to Greater Bostonians.

TEMPLE ISAIAH
Temple Isaiah of Lexington will hold its Friday evening service at 8:15 p.m. at the Hancock Congregational church.

"Civil Rights and Civil Liberties" will be the topic of a talk to be given by Alvin Hochberg at the conclusion of the service.

Zone Change —

(Continued from Page 1)

What Happened?
There was a reason for last week's horrible pictures — even though a lame one!

In "shooting" the pictures (which is done hours before the press-run) a filter — which is sometimes used to grey down highlights — had been left in the camera.

The error was not detected until the first sheet came off the press at 11 p.m. Wednesday.

It meant that every picture would have to be re-shot, then stripped into the full page negatives and then every poor page repeated. [And the Advocate would have been out on Saturday! — Ed.]

Foreign Aid —

(Continued from Page 1)

he observed the pestilence of the peoples and described his observations of children at garbage pails for food adding that "it is only because of the intestinal parasites or disorders that would give rise to such conditions" but yet these people are left to go and scratch out a meagre existence."

"This then is only a part of the problem," Mr. Kennedy pointed out, "the more significant part of the equation is the appeal to the intellect."

In tones and delivery indicative of his brother the President, Assistant District Attorney Kennedy posed the challenge for this country to develop its leadership as a world power "as Americans are looked upon as the torch of liberty and democracy and if democracy does not work at home it will fail elsewhere."

The Hawks might well have been victorious had they not incurred a record of 14 personal fouls in the game.

In the second game the Royals pushed the Celtics from a second place tie defeating them 21 to 11. Gerry Indriano, Dick O'Keefe, Ralph Abbott and Dick Amico shared scoring honors for the Royals, who have now won two straight.

That Man About Town

By MAT

It is going to be a hot Town Meeting this year. To start with, there will be 108 articles — and that's a new record.

Town employees want a 4% boost in pay, while the Personnel Board is trying to shovel against the tide at 3%.

This always results in silly arguments: give them this or give them that; other towns pay this,

others that. Why can't the two sides bargain and then agree? And, then if they can't, come out at the opposite corners of the ring and fight it out on the TM floor? We have felt the Meeting to be usually pretty fair.

Play at the home of Mrs. J. Herbert Mead on Jan. 22 results: 1st, Mrs. Ralph E. Benson and Mrs. John J. Cox; 2nd, Mrs. Alan T. Galpin and Mrs. Walter Walworth; 3rd, Larry Kelley and Dexter Winslow.

By the way, now that the Cost of Living index has been standing fairly still for several years — what happened to that rule of measure?

We've been talking to some real estate people and developers but the raise of a 5-story apartment to 7 or 8 stories limits does not make sense to them. They claim you just don't add floor levels — and make economic sense.

According to them, it's just like building blocks as a child might. After the things get so high, they top — unless the design of the foundation is changed and other stresses and strains are compensated for. They say, that after a 5-story level, the next plateau, economically, is around 10 to 12.

If you are entitled to the benefits of the Soldiers and Sailors' Relief Act of 1944 as amended and object to such foreclosure, you or your attorney should file a written appearance and answer in said court at Boston on or before the sixteenth day of February 1962 or you will be barred from claiming that such foreclosure is invalid under said act.

Witness, PAUL C. REARDON, Chief Justice of our Superior Court, sixteenth day of Jan-

uary 1962.

Sergeant First Class Bill Bonelli, local Army recruiter announced today that the Army has authorized an increase in the number of enlistments into the Army Intelligence Corps during the month of January.

Stressing the extremely high qualification standards of this select organization, Sgt. Bonelli said that those who can qualify will be guaranteed, before enlistment, assignment in the U.S. Army Intelligence Corps.

Upon completion of basic training, he continued, they will be assigned to the U.S. Army Intelligence School at Ft. Meade, Baltimore, Maryland.

The United States Army is responsible for the collection, interpretation and dissemination of intelligence required to provide security, to insure early warning against enemy actions and to support mobilization and war plans of the Army.

With new countries appearing throughout the world, the number of such assignments will increase in the future, it is pointed out.

Anyone interested in the opportunities offered by the U.S. Army's Intelligence Corps, can contact Sgt. Bonelli at the Post Office Building, Union Square, Somerville.

Court Cases Up

Superior Court, Middlesex County, received a total of 7892 cases during 1961, it was announced this week by Edward J. Sullivan, Clerk of the Courts. The total surpassed by 501 entries the previous high mark recorded during 1960, Sullivan said.

Top month during 1961 was June when 820 entries were recorded. Previously, the high total for a single month had been March 1960 with 719.

LODGE OF ELKS

Feb. 7, the Past Exalted Ruler will initiate the next class in honor of the late Salvatore Cannistraro, Per.

The meeting is also being held in honor of the Past Exalted Ruler of the Lodge.

For the evening will be Exalted Ruler, Sidney L. Kahn, Leading Knight, Jacob Katz, Loyal Knight, Diran Berberian, Secretary, James T. Wilson, Treasurer, William B. Houser, Chaplain, William G. Hanlon, Esquire, John J. Stanton and Organist, George S. Ryan.

Trustees present will be Thomas S. Duggan, John H. Allison, Thomas F. Sullivan, Joseph A. Purcell, Carl F. Allen, Edward M. Cartullo, John B. Byrne, Martin Durkin, John L. Murphy, Everett Fitzpatrick, J. Preston Boudreau, Charles Schultz and George H. Fitzgibbon.

Taxpayers

The Massachusetts Federation of Taxpayers Associations declared today that only a "fiscally responsible" Congress, "determined to evaluate the Government's financial requirements on the basis of reasonable, but tough, spending priorities," could insure that the new Federal budget just submitted by President Kennedy would remain in balance.

The new budget for the fiscal year 1963, which begins next July 1, forecasts net budget receipts in that fiscal year will total \$93 billion. It estimates that Federal expenditures (exclusive of trust fund expenditures for highway construction, social security, etc.) will total \$92 billion, and that there will be a surplus of \$463 million.

Noting that the revenue and spending levels must be predicted 18 months in advance of the fiscal year end, Frank J. Zeo, spokesman for the statewide citizen research organization, cautioned that the fiscal budgetary result will depend in large measure upon maintenance of a "healthy economy," and upon the fiscal actions of the session of Congress just under way.

"Citizens of Massachusetts have no small stake in the new budget," Zeo said. Massachusetts' share of the \$92 billion total of estimated Federal expenditures will amount to \$3.3 billion."

(This estimate is based upon a formula for allocating the Federal tax burden among the states, developed by the Tax Foundation, a national research and citizen education agency.)

FEB. HISTORY MONTH

Governor John Volpe has officially proclaimed February as American History Month in an announcement from his office on Dec. 29.

In the proclamation, Gov. Volpe said that America is an inspiration and February is particularly appropriate month because of the celebration of the birthdays of two outstanding Americans, Lincoln and Washington.

Massachusetts since its beginning has made many contributions to the American historical scene. It is the home of leaders in every field.

Massachusetts was the first state in the Union to proclaim February as American History Month by statute. In accordance with Chapter 44 of the Acts of 1957, Gov. Volpe proclaimed February as American History Month.

AMERICAN LEGION

Plans for expanding the membership of Arlington Post 39 of the American Legion here have been announced by William E. Bonin, commander. "The Post has been stepping up its community service and youth programs this year and has decided that the time has come to increase its membership too," Commander Bonin said.

Membership in the post for 1961 was 1250 and already 950 have paid their dues in advance for 1962. With further renewals and new members, Commander Bonin stated that an enrollment of 1500 is expected by the close of 1962.

A committee headed by Sr. Vice Commr. McEwen has been receiving from present members names of veterans who are being recommended for Legion membership.

Commander Bonin said that the plan for stepped-up local activities and the enrollment ties in with a national program announced by National Legion Commander Charles L. Bacon of Kansas City, Mo.

in all of New England by nearly unanimous judgment, in the professional type operations.

The telephone that never sleeps, while our active store hours are from 9 A.M. to 9 P.M., 6 days a week, our telephone never sleeps. Orders may be called in around the clock and provisions are made for genuine emergency service.

These Make The Difference

- A crack, highly-organized, free motor delivery service
- Clinical laboratory facilities
- Wholly owned surgical supply subsidiary for all professional and sick room needs
- Emergency oxygen service
- Emergency ambulance service
- A separate wholesale division for servicing hospitals, institutions and physicians
- A separate manufacturing division for the formulation of those products not available in the open market
- A completely equipped surgical support department from surgical stockings and trusses to artificial limbs.
- A crack professional team of multi-degree men whose entire time is devoted to the solution of your problems

AND THIS IS WHY THE DEMAND FOR OUR SERVICES ALWAYS EXCEEDS THE SUPPLY IN SPITE OF CONSTANT ENLARGEMENT OF OUR FACILITIES. BUT WE PLEDGE OUR CUSTOMERS OLD AND NEW THAT WE WILL MAINTAIN OUR RECORD OF COMPLETELY AND SATISFACTORILY SOLVING ALL PROBLEMS PRESENTED TO US.

The Star Pharmacy is one block long and growing. Immediate plans call for enlarging our quarters by three fold to create the real super pharmacy.

A section of our prescription laboratory which has a total of over 100 linear feet of working area and manned by a top professional staff who are qualified in one or more specialties.

A corner of the surgical supply division. Heavy inventory of needed items some of which are not readily available elsewhere are ready here to meet any call.

Front view of main prescription laboratory. Here is stocked everything old and new that puts us in a position to make the proud boast that if we cannot fill the prescription — it cannot be filled.

One of our delivery units so familiar on the highway. Our plans call for increasing the number of these to 12 by spring.

One section of our mailing room. Here two full time employees are kept busy mailing orders not only to all parts of the United States — but to all over the world.

Relay Team Sets Third Record In 41-36 Win

LEADING THE PACK around the first turn is Bill Lewis in the 300. Lewis went on to win in 37.5s. Behind him is Dave Walsh who finished second.

ALL BY HIMSELF is Arlington's ace 600 yarder, Bob Kelley. Kelley has such a lead that the spectators are looking for the second place finisher. Kelley won this race, leading Arlington to a 41-36 win over Watertown.

Arlington Loses

Repulsed by the outstanding goal play of John Fazio, Arlington was held to 1-1 tie at the Boston Arena, Saturday, by Medford.

Fazio stopped 29 stops in a brilliant individual show. He blows hot and cold and always hot against Arlington. Earlier in the season Medford beat Arlington 3-2, and Fazio again was the difference. He has allowed 24 goals.

Arlington carried the play in every period with several good chances to score. Two times Arlington had an empty net to shoot for but could not find the handle on the puck.

Medford scored first at 1:45 of the second period. Joe Claverdone rapped home a rebound with goalie Allosso outstretched on the ice after making the initial save on Don Buckley. Bob Costello also received an assist.

Arlington fought back to even the score at 4:12 of the same period. Pete Lax fed Bob Carr who slammed home a fifteen footer.

Lax and sophomore Gordon Clarke led the Arlington offense in an awesome display of shooting.

Hold to a 1-1 tie for the first two periods by the twenty saves of Fazio, Arlington pinned Medford in its own end, mainly through the efforts of Clarke.

Clarke won face-offs, stole the puck behind the Medford net from defenseman.

Next week, Arlington versus Newton in the big game of the season. If Arlington wins, a two-way tie for first could result. Arlington has a game-in-hand and with wins over Newton and Cambridge Latin could tie for first.

Locals, winning the 600 in a fast 1:22.7s and anchoring the relay.

Arlington also fashioned its first victory of the season in the dash when Bill D'Antonio ran the distance in six seconds flat. Jon Wallace finished second.

Clyde Ward lowered his time for the mile to 4:50. Bill Lewis copped the 300 for the third consecutive dual meet winning in 37.5s.

Arlington took five of nine firsts in a display of front line strength. They also captured three seconds and six thirds.

Arlington now has a Division II MET league record of 2 wins and one loss. The sole loss was to Natick, last week.

In a battle of the unbeaten, Natick beat Belmont, 45-32, to move into undisputed possession of first place. The loss dropped Belmont into a second place tie with Arlington and No. Quincy, which defeated Watertown 49 1/2-27 1/2.

Arlington has won its last two meets after an opening loss to Natick.

In the key game of the afternoon, Newton bombed Brookline, 4-1.

Cambridge Latin moved within one point of Arlington, besting Waltham, 3-0. Rindge Tech kept first division aspirations alive with a 7-3 win over Somerville.

In the key game of the afternoon, Newton bombed Brookline, 4-1.

Races to be Held

The third annual Arlington Indoor Speed-skating championships, sponsored by the Arlington Lions club, will be held at the M.D.C. rink, Route 2, Belmont, on Feb. 17-18.

Frank Kirkland of the Club is chairman of the meet. Also active on the committee are Rep. Gregory Khachadoorian and Arthur Greene.

The Novice races are open to all residents of Arlington and Belmont who have not reached their 14th birthday by Feb. 17. In previous years the ages have ranged from four to thirteen. Each class will skate different distances.

Entry blanks will be distributed to all schools and will also be in this paper on Feb. 1.

Novice skaters will not compete with registered skaters. Trophies will be awarded to the first, second and third place winners.

In the Registered division, competitors from all over New England and New York state are expected to compete.

Jackie Walters from Brighton, former Junior North American champion and Mrs. Janet Tighe of Wilmington, mother of four boys and former Senior North American champion, and numerous other champions will be competing.

JR. VARSITY
The Jr. varsity beat the Newton High Jr. varsity 5-3 at the Boston Skating club last Saturday.

The boys outclassed Newton from beginning to end. With Mugay Moran as its "Spark Plug", Camchito played another fine game in the nets and old reliable Bowser was strong on defense.

That's all --

SIMM-PLY SPORTS

by Tim Simm

NIGHTMARES

Coach Eddie Burns and the entire Arlington hockey squad must be having nightmares about the demonish goalie play of Medford's John Fazio.

This will be the battle for second place in the Met League, Div. II. Prospects on this contest call for a close meet to be decided by the relay, Arlington on top.

Coach Kelly said, "if we can hold them up to the relay, we have a good chance."

The way that Arlington has been performing in track, the last two dual meets, makes this corner wonder what would have happened if they had had all of their team available for the meet with Natick.

As you may recall, Arlington had given the football team a trip to Florida. Several members of the track team were on that trip.

Thus when Arlington met Natick, several seconds and thirds were missing from the Arlington attack. Then take into account that Arlington only lost by one point which on third place would have offset, and there is a victory for Arlington.

Comparative times during the season indicate that one of the vacationing members of the football team, would have provided the necessary points.

If one name must be picked out to show the third place, it is Dave Walsh, who finished second in the 300, last week.

OOPS A GOOF
Due to a slip of the scissors while cutting this column to be set in the paper, Bill Grannan was listed as being ejected from six games. The truth is that Bill has been forced from the contests due to personal fouls that arise from his competitive drive.

Bill has the problem of charging. That is, he drives into his opponents while going for a basket. Sorry, Bill.

While we are on the subject, Grannan played what his coach terms the best two games that he has played this year against Newton and Brookline. He scored 24 in Newton and 16 at Brookline.

The team split these contests. They have eight games left. Of these eight, five are away. Tough way to end the season.

Arlington is now 4 wins 5 losses on the season.

AHS Loses In 2nd Period

Fighting against superior height, Arlington lost to Brookline, 60-49, although outscoring them 34-30, in the second half at Brookline, Friday.

Coach Lowder did not have any excuses for his boys because Brookline was the better team. He said that Bill Grannan played his second good game in a row.

He also had words of praise for Vin Govoni and Jim Driscoll, who were both in double figures.

The front line for Brookline hurt Arlington under the boards. Three forwards for Brookline hit in double figures and one backcourt man hit for ten.

Brookline center Swartz hit for 16 followed closely by Weitzman with 13.

Arlington was in the ball-game in the last half out-scoring Brookline, 34-30. A bad second period in which Arlington got only five points in hitting 1 for 16 was the turning point in the game.

Arlington made 5 of 16 in the first, and 6 of 18 in the 3rd and 4th periods to stay close.

Commenting on the Brookline gymnasium, Lowder said, "everybody has trouble trying to score high at Brookline. The background is bad as there is an entire court ahead of the shooter. I don't want to alibi, for the boys did a good job, Brookline is the better team."
